

AMERACE

77 West Beaver Creek Road
Richmond Hill, Ontario Canada L4B 3A7
TELEPHONE: +1 905 882-8008
FAX: +1 905 882-8014
<http://www.amerace.com>

To Whom It May Concern:

This is to confirm that Amerace does not and never has recommended the use of heat shrink as secondary protection for L823 connectors.

Further information on this subject may be found on our web site at <http://www.amerace.com/NewFiles/faqckgn4.html>.

Sincerely,

Amerace, A Division of Thomas & Betts

Wayne G. Cook, P. Eng.
